

MSU Sustainability Walk Series

Designing for Sustainable Buildings

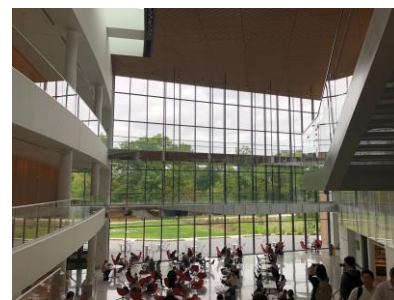

ABOUT: To celebrate Sustainability Month this October, the MSU Office of Sustainability, Health4U Program and the WorkLife Office are hosting sustainability walks throughout the fall that will showcase the ways in which sustainability is embedded within MSU's campus, curriculum, culture and community. On 10/17, learn about MSU's premier, LEED certified facilities on campus and across Michigan. This walk will feature a tour of the state-of-the-art Broad College of Business Minskoff Pavilion.

DATE/TIME: October 17, 2019 from 12:00 – 12:50 pm

LOCATION: Meet at the Rock at 12 pm. We will begin walking by 12:10 pm.

REGISTER: Visit tiny.cc/GoGreenWalk to register

SAVE THE DATE: The 10/24 Sustainability Walk will feature Sustainable Farming and Foods. Suggest future topics at ideas.msu.edu.
