I acknowledge that the Michigan State University's Employee Assistance and Health4U Programs are considered a health care facility. As such, until further notice I agree to wear a mask should I attend an EAP or Health4U appointment in-person. If I arrive to an appointment without a mask, EAP/Health4U staff will provide me with a mask. If I prefer to not wear a mask, I may be required to leave the office immediately and will be given the opportunity to meet with a provider over Zoom instead.
