## Ingredients

Bread Pudding: 10-12 oz. cinnamon-pecan rolls or cinnamon swirl bread, chopped (about 7-8 cups)

¾ c. sugar            Caramel Sauce:

4 eggs                ½ c. caramel (store bought caramel topping)

2 c. half and half    4 c. heavy cream

2 c. milk

1 T. vanilla

## Preparation

### For the bread pudding:

In a bowl, whisk together sugar and egg yolks. Add in the half and half, milk and vanilla and whisk together until no lumps. Spread chopped bread evenly in a 9 by 13-inch baking dish. Pour custard mix over the top. Let sit for 20 minutes. With your hands, break and smooch apart the pieces of bread.

Preheat oven to 350°F. Bake for 35-40 minutes. Test for doneness by jiggling the pan. Bake until middle doesn't wiggle.

### For the caramel sauce:

On the stove, heat caramel and heavy cream until warm and mixed. Pour over bread pudding. Let sit for 10 minutes before serving.
