

# TJ HALL'S PLANT BASED THANKSGIVING ENTREE

"Our holiday menu is fairly standard, but since we're plant-based we always opt for a meatless 'roast' instead of turkey or ham. Field Roast and Gardein are two brands that I've had over the years, and both are quite tasty. "

***See Gardein package for details***

**Featured Food:** TJ's Recipe

**Yield:** 40 oz.

## Ingredients

Gardein Holiday Roast

## Preparation

Preheat oven to 425 degrees. Remove roast from wrapper and place on rack in roasting pan. Cover with foil and bake 60-70 minutes. Increase oven temperature to 450 degrees. Remove foil and bake for another 10-15 minutes until roast is golden brown, crispy and hot throughout. When cool to the touch, slice and serve with warm gravy.
