## Preparation

Rinse and drain fillets on paper towel. Place fillets on sheet pan. Mix harissa paste and cumin together with 1 T. olive oil. Brush on the perch and let marinate in refrigerator for 1-2 hours

Heat 1 T. oil in a non-stick sauce pan over medium heat and sauté peppers and garlic for 1 minute. Add the mangos and reduce heat to low. Add seasonings, lemon juice, and vinegar and cook on low for 5 minutes. Add brown sugar and stir lightly until sugar is melted.

Remove from heat; add salt and pepper to taste. Set aside.

Add 3 T. olive oil to non-stick sauté pan; over medium high heat, lightly pan sear the perch cooking skin side down first and then turning after 3 minutes to finish cooking on the flesh side for an additional 2 minutes. Top with salsa and serve.
